**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and its morally responsible to keep it that way. Competition promotes a healthier market, while preventing big telecom to do whatever they please. Previously my area had absolute shit service by ATT/Comcast, now we have an excellent fiber service that has ran better than one could EVER imagine. The FCC wasnt created for to be used by big Telecom. You are meant to protect the American people, not abuse them. Do your job!!
